NATURAL RESOURCE CONSULTING AND APPRAISAL

Forest Research & Valuation is located in Orono, Maine. We provide appraisal and consulting services to a range of organizations and individuals.

We specialize in forestry and natural resource appraisals.

We can conduct a range of rural appraisal projects, including timberland, farms, conservation easements, and waterfront properties.

Our background and professional network provides opportunities for successfully completing projects, both large and small.

We work closely with our clients and our services are confidential.

KEY FEATURES

Land and Forestland Appraisal

We are equipped to appraise timberland, forestland, and rural land, including conservation easements, waterfront properties and farmland. We specialize in challenging assignments!

Extensive Experience

We work throughout northern New England, New York & Pennsylvania. We maintain extensive databases and files so that we are able to undertake a range of complicated assignments.

We Provide Quality Results

We are a small, focused company with years of experience. The success of your project is our priority.

CERTIFIED AND LICENSED

We work with a range of other organizations and individuals. If we can't help you, we can recommend a professional who can.

We recommend using properly licensed professionals. Our credentials include:

Maine, New Hampshire, New York, Pennsylvania, and Vermont Certified General Appraiser

Maine Licensed Forester

Current credentials are listed on our website:
